

Expression® Home XP-4100

Small-in-One® Printer

Wireless | Print | Copy | Scan

All-in-One

Home

The compact, wireless all-in-one with full-featured performance.

Save time and paper — auto 2-sided printing

Simple setup and navigation — high-res 2.4" color LCD to easily print, copy and scan

Complete wireless solution — easily print from iPad®, iPhone®, Android™ tablets and smartphones¹; includes Wi-Fi Direct^{®2}

Affordable individual ink cartridges — replace only the cartridge that runs out

Hands-free voice-activated printing³ — to print a variety of projects and documents, including your to-do and shopping lists

Instant-dry Claria® ink — for touchable photos and documents

Small size, great performance — compact, space-saving design for home or office use

Reload paper less often — 100-sheet paper feed tray

Easily scan and share — includes bonus software to automatically scan to the cloud⁴

Creative Print Mobile App — create borderless photo collages, print stationery, and more

Designed for use exclusively with Epson® cartridges.*

Ordering Information

Expression Home XP-4100 C11CG33201

*This product uses only genuine Epson-brand cartridges. Other brands of ink cartridges and ink supplies are not compatible and, even if described as compatible, may not function properly.
 † Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed | 1 Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit www.epson.com/connect | 2 Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | 3 Voice-activated printing is not available with the Epson Expression[®] EcoTank[®] ET-2500 and ET-2550 printers, and Epson printers that are 5 or more years old. Epson Connect and voice-activated device and account registration required. | 4 Requires an Internet connection, a free Epson Connect account and a destination email address or cloud storage account. For a list of supported cloud services, visit www.epson.com/connect | 5 Some applications and/or functions may not be supported under Mac OS X. | 6 Replacement cartridge yields are based on ISO/IEC 24711 tests in Default Mode printing continuously. Replacement cartridge photo yields are based on the ISO/IEC 29102 photo yield standard. Cartridge yields vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors have to be installed for printing. For print quality, part of the ink from the included cartridges is used for printer startup and a variable amount of ink remains in the cartridges after the "replace cartridge" signal. For details, see www.epson.com/inkinfo | 7 For convenient and reasonable recycling options, visit www.epson.com/recycle | 8 SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.
